By way of this declaration and the accompanying form and log, Applicants hereby petition the Office of Petitions for the issuance of duplicate Letters Patent.

On January 16, 2008, we spoke with Naomi Farmer (703-308-9250) regarding the mailing of the Letters Patent for this matter. She advised that the Letters Patent was mailed on July 11, 2006 to Morgan, Lewis, and Bockius at 1701 Market Street, Philadelphia, PA 19103.

We hereby declare that a diligent search was made to confirm that the original Grant was never received from the United States Patent and Trademark Office. As evidence of this search, we submit the accompanying document, entitled Philadelphia Incoming PTO Log ("the Log"). The Log documents receipt of all incoming mail from the United States Patent and Trademark Office from July 11, 2006 through and including July 31, 2006. The Log indicates that we did receive the Letters Patent for U.S. Patent No. 7,076,445.

Therefore, Applicants respectfully request issuance of duplicate Letters Patent for U.S. Patent No. 7,076,445.

Respectfully submitted,
